

# Brookside Kindergarten Supply List '20-'21

Welcome to Brookside Kindergarten, we are excited to have you here! We have been busy setting up our socially distanced classrooms to get ready for your arrival. Due to COVID-19 guidelines and regulations, we ask that you stick to ONLY the supplies listed below. Students will be provided with most in-school supplies, and there is a recommended list of additional supplies to keep at home for remote learning times. Thank you for your cooperation!
